MRS. D'S DIXIE BARBECUE SAUCE & MARINADE
FOR CHICKEN

Mrs. D. was from one of the Carolinas, I can't remember which one, but she passed away many years ago. Every time I make this, I think of her and the fun neighborhood barbecues.

½ cup oil

1 cup vinegar

2 tablespoons salt

2 teaspoons poultry seasoning

¼ teaspoon pepper

1 egg

Put everything in a blender and let it mix. Cover chicken with it. Use remaining for basting on the barbecue. If there's not enough, make another batch!
